

## **The Art & Antiques Show**

The Art & Antiques Show is held each December. From across the nation, dealers bring fine furniture, paintings, rugs, porcelain, jewelry and silver. This three-day show and sale is enhanced by a Benefactor Preview Reception, Opening Night Party, loan exhibit, lectures, a Tea Room, Pastry Café, and Children's Fashion Show. This highly visible, holiday benefit has generated funds and publicity for Wolfson Children's Hospital since 1977, following the first Women's Board event, the Boehm Exhibit in 1976.
